MIAMI UNIVERSITY

OXFORD, OH • EST. 1809

This is more than just a
COLLEGE CAMPUS

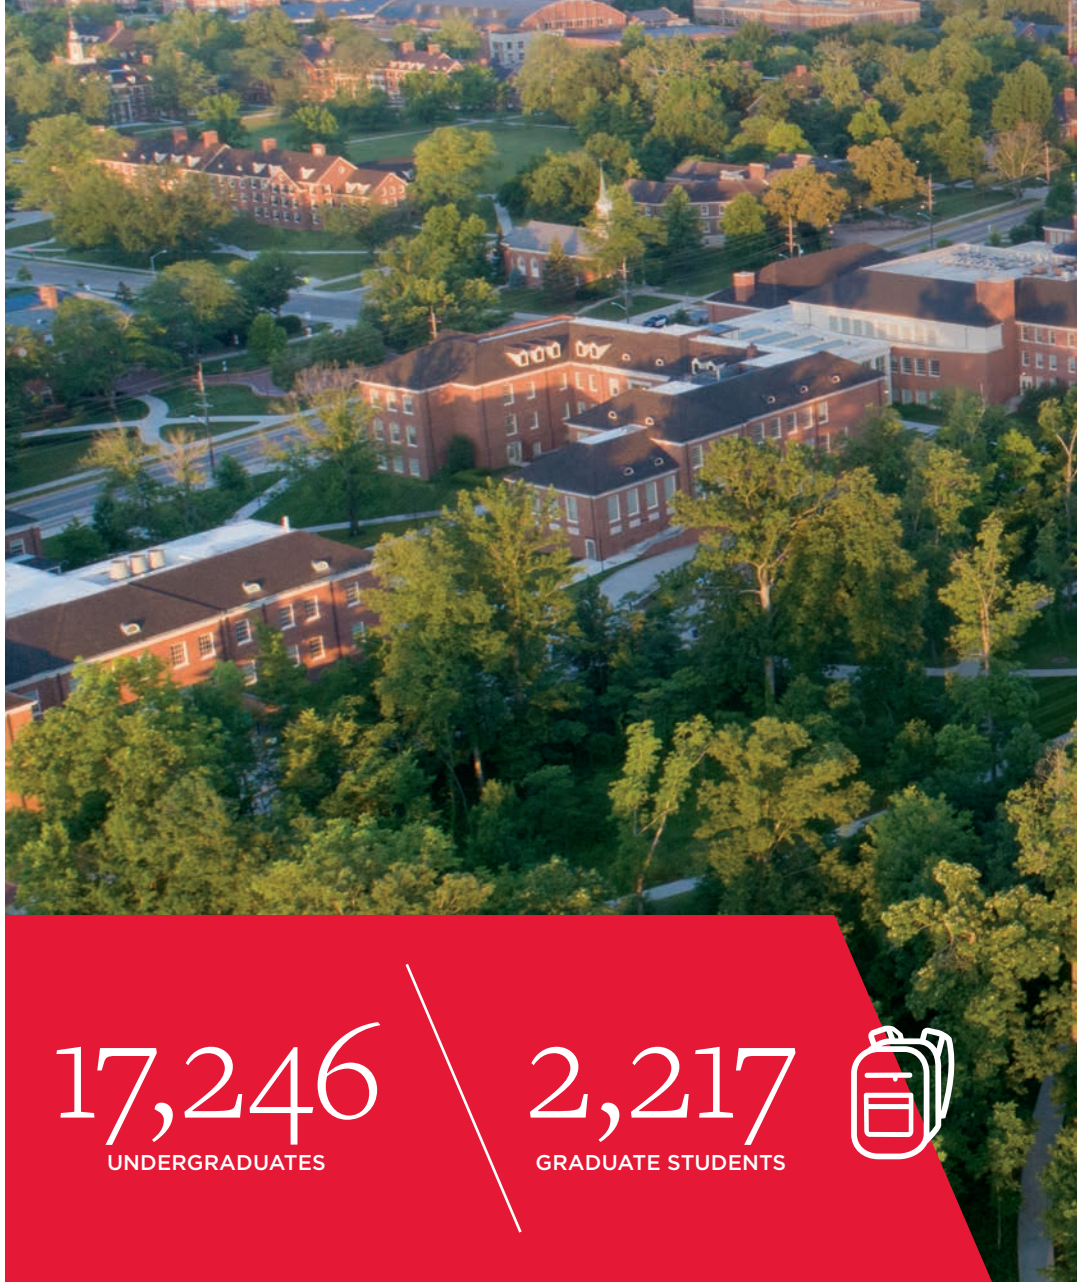
It's where you'll apply different
perspectives to find ways forward
in the face of challenges.
Where you'll learn the skills
to thrive in an ever-changing world and the
leadership qualities to shape it.
Where you'll become part of a community
that supports you for the rest of your life.
This is where you'll gain momentum.
WELCOME TO
MIAMI UNIVERSITY

A tradition that moves you forward

COLLEGE WILL BE ONE OF THE MOST INVIGORATING TIMES OF YOUR LIFE.

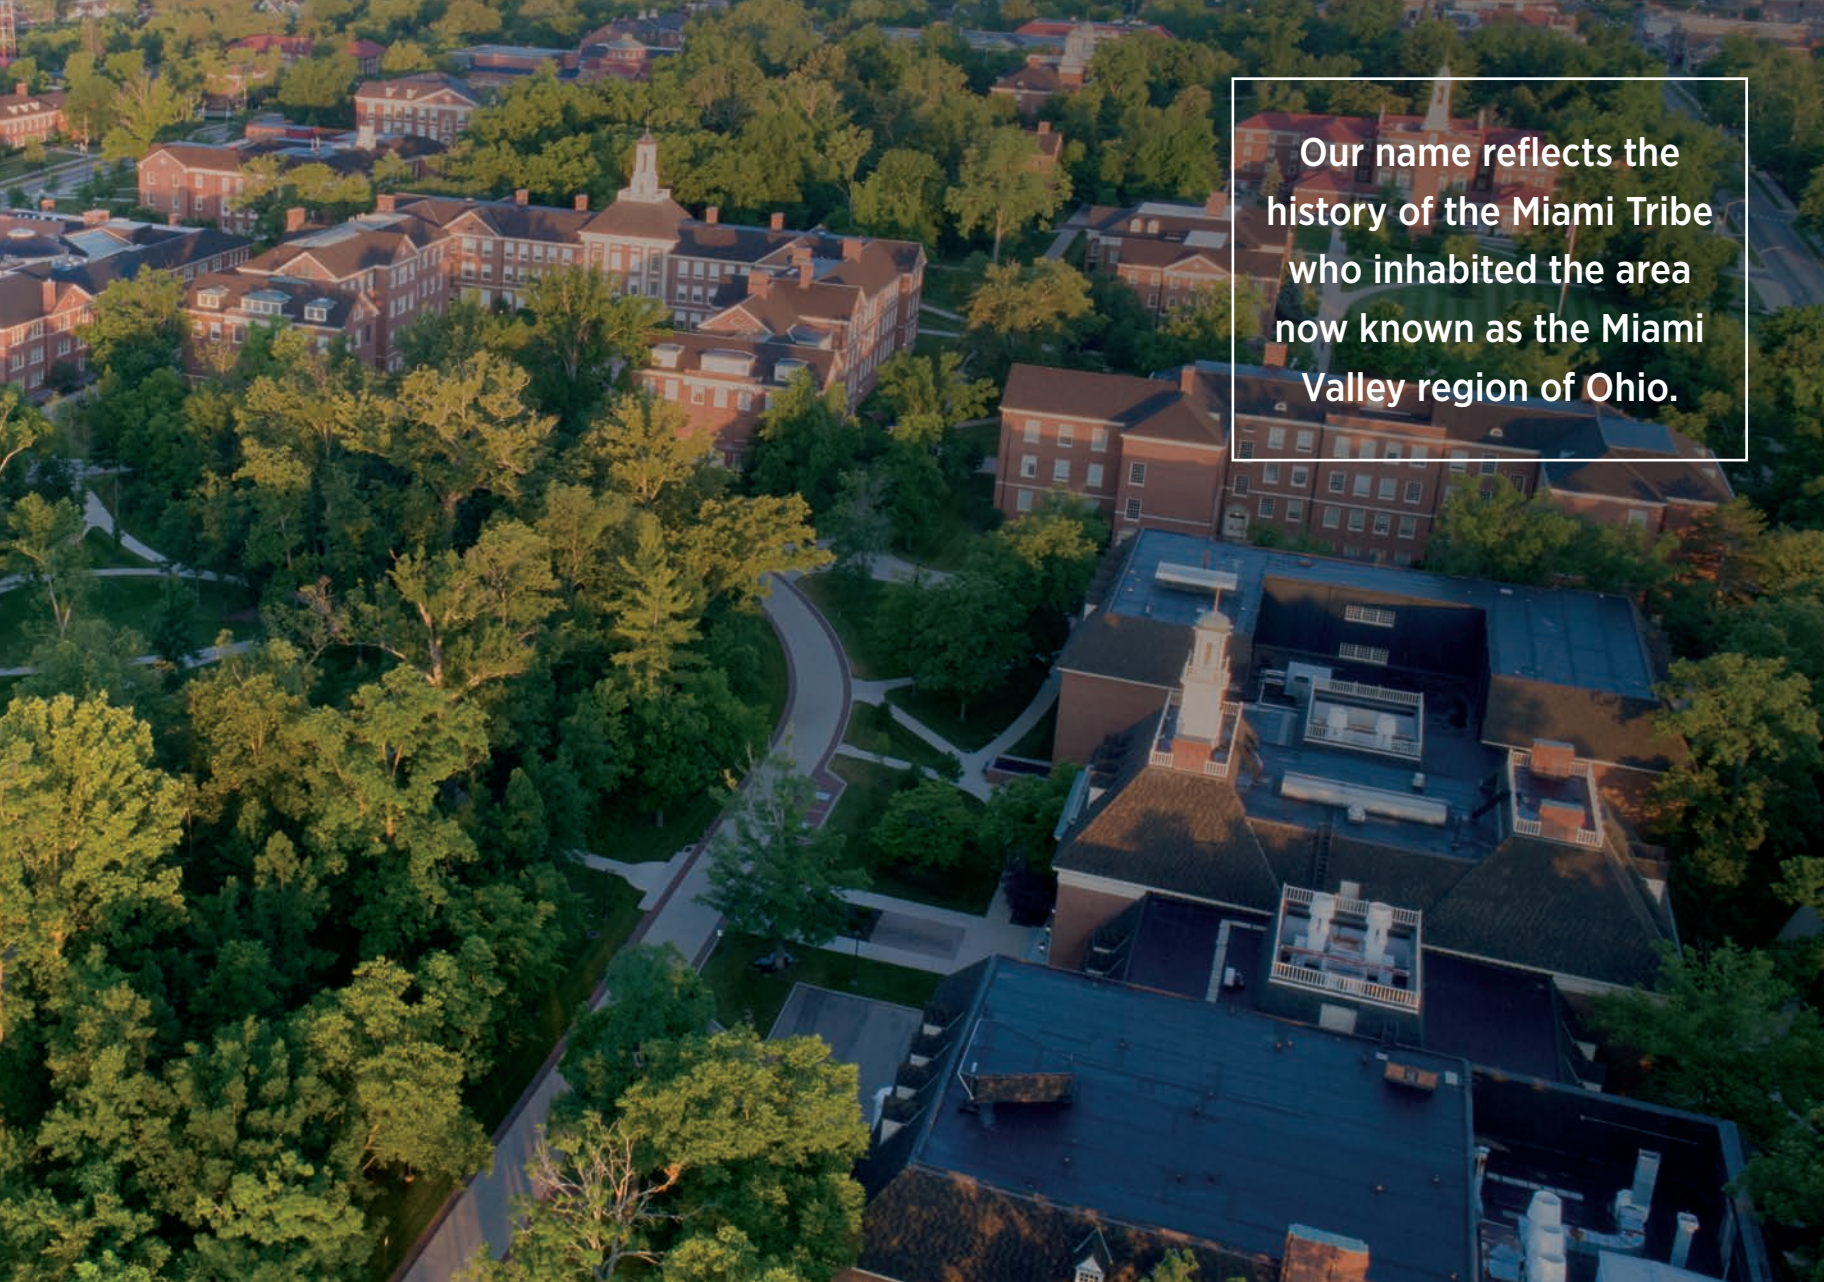
We'll make sure of it by giving you the support system you need to thrive in a classically collegiate setting that's inspired ambitious students like you for more than 200 years.

It's what being an original Public Ivy is all about — an exceptional college experience at a public school price.



17,246
UNDERGRADUATES

2,217
GRADUATE STUDENTS



Our name reflects the history of the Miami Tribe who inhabited the area now known as the Miami Valley region of Ohio.

Your growth accelerator

MIAMI IS A MEDIUM-SIZED SCHOOL WITH A BIG REPUTATION for making undergraduates like you our top priority. That means you'll be mentored by nationally recognized faculty, involved in hands-on research, and connected to career opportunities.

Besides courses in your major(s), you'll explore a wide range of subjects through the Global Miami Plan, honing skills employers need: superior communication, analytical reasoning, and problem solving.

30

COMBINED DEGREE PROGRAMS

PERSONALIZED LEARNING LEADS TO EXTRAORDINARY SUCCESS

Our 100+ majors are organized into five academic divisions that give you a personalized, supportive learning community. You'll have access to faculty, staff, and advisors who understand the skills and knowledge you'll need to thrive in your chosen field.

COLLEGE OF ARTS AND SCIENCE

CAS is home to 60+ majors, 11 co-majors, and dozens of minors covering a range of subjects in the natural sciences, social sciences, and humanities. Experiential learning opportunities like Inside Washington and the Undergraduate Research Forum allow you to become a critical thinker, effective communicator, and creative problem solver.

COLLEGE OF CREATIVE ARTS

Creativity impacts every academic area and serves as a window to our world. In CCA, you'll find a creative community that integrates a rigorous arts education with a broad liberal arts foundation. Opportunities like our Digital Innovation Center programs, international design-and-build projects, and strong alumni connections lead to many career options.

COLLEGE OF ENGINEERING AND COMPUTING

Engineering graduates can no longer rely solely on technical skills. In CEC, you'll receive the well-rounded education employers demand and that the world needs to tackle important problems. That's why you'll collaborate on real-world projects beginning your first year, research with faculty members, and participate in opportunities like our Lockheed Martin Leadership Institute and Engineers Without Borders.

COLLEGE OF EDUCATION, HEALTH AND SOCIETY

In EHS, you'll conduct research and put it into practice, work closely with schools and community agencies, and learn to promote well-being in diverse settings. You'll accumulate the industry field experiences employers value by living and working in nearby cities through the Urban Cohort, interning at community agencies, and student teaching abroad.

FARMER SCHOOL OF BUSINESS

In FSB, you'll learn by interning at top firms around the world, working on marketing projects for real-world clients in the Highwire Brand Studio, and launching your business idea through our Institute for Entrepreneurship. You'll lay a strong foundation with our First-Year Integrated Core Curriculum, designed to hone your creativity, data analysis, entrepreneurial thinking, and communication skills.

THE DEPARTMENT OF NURSING exists outside of these five divisions and is open to first-year applicants only.

Undeclared options allow you to explore before choosing a major — and still graduate on time.

***Co-Majors**

Enrolled students may select a co-major to complement their primary major.

**Nursing is available to first-year applicants only.

Pre-Professional Preparation

Choose from the majors listed, then work with a faculty advisor to design your course of study.

Miami offers pre-professional preparation in:
  Dentistry
  Law
  Medicine
  Optometry
  Pharmacy
  Physical Therapy
  Veterinary Science

Our list of majors continues to evolve; please visit **MiamiOH.edu/majors** for details and descriptions.

Honors opportunities

BEING AN HONORS STUDENT IS MORE THAN A PRESTIGIOUS TITLE. It's having unparalleled opportunities to take a deeper dive into research alongside world-class faculty and other high achievers, traveling across the globe to put theory into practice, and developing new knowledge that can change the world.

First-year students can apply for honors opportunities by submitting a supplemental application during the admission application process. For priority consideration, complete your admission application by December 1.

Unlock your potential
MiamiOH.edu/HonorsPrograms

PRODESSE SCHOLARS

Work closely with an outstanding faculty member and a team of scholars as you engage in one of nearly a dozen interdisciplinary areas of interest.

BENEFITS

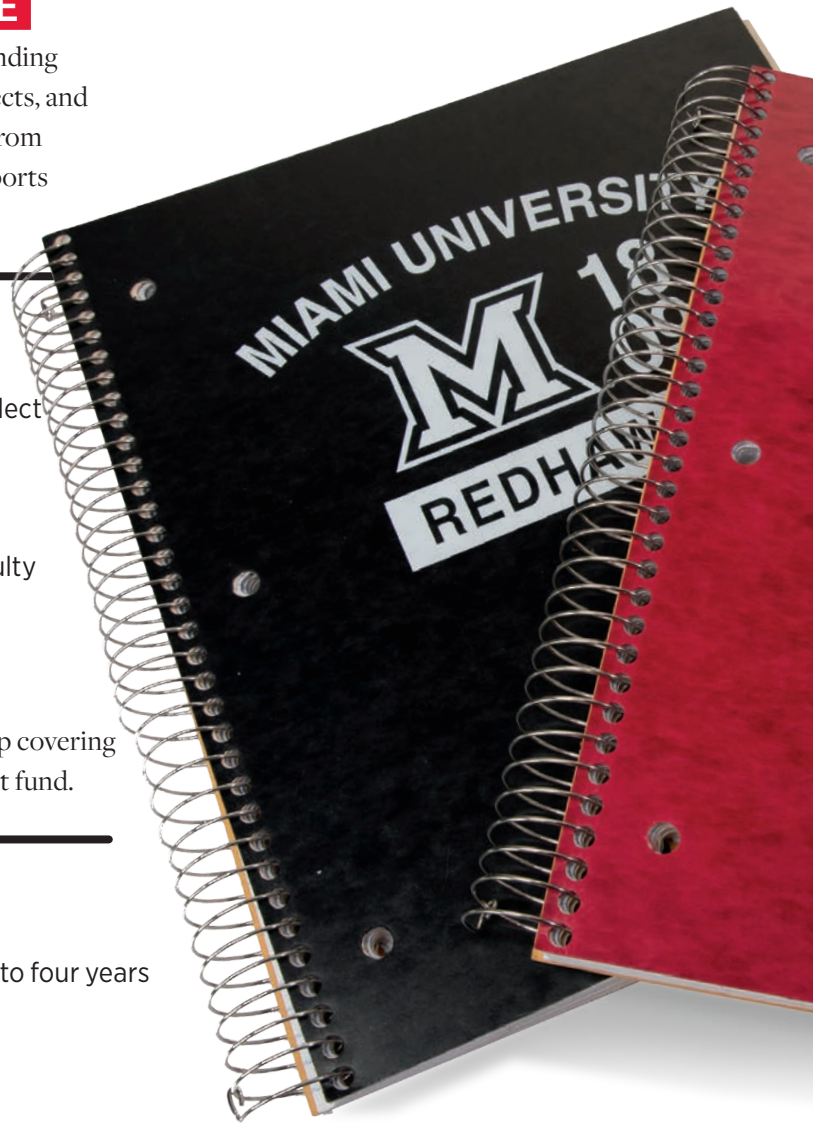
- Annual monetary scholarship
- Faculty mentoring
- Customized career counseling

HONORS COLLEGE

Access rigorous courses and funding for research, independent projects, and study abroad while benefiting from personalized advising that supports your studies and career goals.

BENEFITS

- Guaranteed admission to select graduate programs
- Emphasis on research
- Priority course registration
- Residential college with faculty in residence



PRESIDENTIAL FELLOWS PROGRAM

Participate in exclusive programming and receive a four-year renewable scholarship covering tuition & fees and room & board as well as a one-time $5,000 academic enrichment fund.

BENEFITS

- Miami's premier scholarship, covering tuition & fees and room & board for up to four years
- $5,000 academic enrichment stipend
- Exclusive programming for Presidential Fellows

Where friends BECOME FAMILY

You'll live in campus residence halls clustered around tree-shaded quads your first two years. It's where you'll form the friendships that last a lifetime.

WHERE YOU EAT IS JUST AS IMPORTANT AS WHERE YOU LIVE. With an award-winning selection of dining halls, cafes, specialty restaurants, and convenience markets, there's something for every type of foodie.

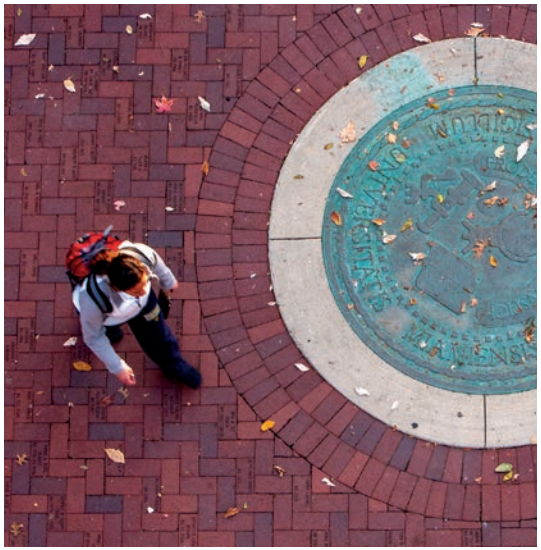
on the sundial overlooking MacCracken Hall for good luck on your next exam.

KISS UNDER THE UPHAM ARCH
lantern at midnight and you might be destined to marry your sweetheart.



DON'T STEP ON THE SEAL
in the center of campus or you'll fail your next exam. Walk around!

OXFORD, OHIO

AN IDEAL SETTING FOR LEARNING AND SELF-DISCOVERY. When the red brick road leads you Uptown, you'll discover a quintessential college town brimming with metropolitan ideals. From afternoons spent exploring the local shops to pondering life's big questions over dinner with friends, you'll experience the transformational effect of this town.

Become A JOB MAGNET

IT'S NO MYSTERY — COMPANIES FLOCK HERE to recruit what they consider our high-caliber students. The Center for Career Exploration and Success is your partner in job readiness, no matter what you're studying. You'll participate in one of the nation's largest collegiate career fairs, prepare with mock interviews, refine your resume with experienced advisors, and make connections in industries that interest you.

Tuition made transparent

While college costs rise nationally, Miami's Tuition Promise ensures that most costs (including tuition, room and board, special purpose fees, and course fees) for new undergraduate students will be frozen for up to four years. **Scholarships and financial aid will also retain their value during this period.**

0%

Cost of attendance 2020-2021*

TWO SEMESTERS, OXFORD CAMPUS		
	Ohio Residents	Non-Residents
TUITION (INSTRUCTIONAL FEE & GENERAL FEE)	$16,224	$36,650
HOUSING AND MEALS	$14,510*	$14,510*
TOTAL	**$30,734**	**$51,160**

*Amount is based on weighted average and depends upon student options for two semesters.

SPECIAL PURPOSE & COURSE FEES

College of Creative Arts: $50 per semester fee for students majoring in Architecture, Interior Design, Music, Music Education, or Music Performance.

College of Engineering and Computing: $400 per semester fee for students majoring within the College of Engineering and Computing.

Farmer School of Business: $110 per credit hour fee for most business school courses.

Other courses, such as labs, may include additional fees. Be sure to check the course information when registering.

Learn more about tuition and fees at **MiamiOH.edu/admission/tuition-fees**.

How to apply

December 1, 2020, is the priority deadline to be considered for Miami's merit scholarships and competitive programs including Nursing, the Farmer School of Business, and honors programs. Those who apply later will be considered for these opportunities as space and resources allow.

MIAMI APPLICATION DATES
AND DECISION PLANS FOR FIRST-YEAR STUDENTS

Application Type	Application Deadline	Decision Notification	Confirmation Deadline
EARLY DECISION (BINDING)	**Dec. 1**	**Dec. 15**	**Jan. 15**
EARLY ACTION (NON-BINDING)	**Dec. 1**	**By Jan. 15**	**May 1**
REGULAR DECISION (NON-BINDING)	**Feb. 1**	**By Mar. 15**	**May 1**

TEST OPTIONAL FOR FALL 2021*

Most students applying for Fall 2021 will not be required to provide an ACT or SAT test score for admission or scholarship consideration. Learn more at **MiamiOH.edu/test-optional-FAQs**.

*Miami has not made a decision about being test optional beyond 2021.

Common Application instructions
MiamiOH.edu/apply

UNDERSTANDING APPLICATION TYPES AND DEADLINES

EARLY DECISION (BINDING)

If accepted, applicants are contractually obligated to withdraw applications to all other institutions and confirm their enrollment with Miami by January 15. They receive full consideration for guaranteed merit scholarships (see page 26).

EARLY ACTION (NON-BINDING)

Applicants are not contractually obligated to Miami and have until May 1 to confirm their enrollment. They receive full consideration for guaranteed merit scholarships (see page 26).

REGULAR DECISION (NON-BINDING)

Admission to some majors is typically more competitive for students who apply Regular Decision. Applicants have until May 1 to confirm their enrollment.

Scholarships and financial aid

MERIT SCHOLARSHIP GUARANTEE

Miami offers guaranteed merit scholarships to qualified high school students who enroll full-time on the Oxford campus beginning fall semester. December 1 is the priority application deadline to be considered for the merit scholarship guarantee. Students who apply after this deadline will be considered based on scholarship availability. **To earn a scholarship, students must apply by the deadline and meet the minimum academic criteria. No separate scholarship application is necessary.**

FALL 2021 MERIT SCHOLARSHIPS		
Weighted High School GPA*	Ohio Resident Annual Value**	Non-Resident Annual Value**
3.95+	$13,000 to Full Tuition	$21,000 to Full Tuition
3.75-3.94	$7,000-$12,000	$16,000-$20,000
3.60-3.74	$4,000-$6,000	$11,000-$15,000
3.50-3.59	$1,000-$3,000	$5,000-$10,000

ADDITIONAL SCHOLARSHIPS

Applicants who don't meet the criteria for guaranteed merit scholarships will still be considered for merit and need-based scholarships with values up to full tuition. Factors including diversity, audition, portfolio, academic interest, and athletic ability will be used to award these scholarships. To maximize scholarship consideration, students should apply for admission and **file a Free Application for Federal Student Aid (FAFSA) by December 1.**

NEED-BASED FINANCIAL AID

Financial need is determined by the FAFSA. To maximize consideration for need-based scholarships and aid, students should apply for admission and **file a FAFSA by December 1.** Students who apply and file a FAFSA by February 1 will also be considered for need-based aid.

*Miami recalculates each applicant's GPA, adding weight based on coursework difficulty. If your school already weights your GPA, your recalculated and high school GPAs likely will be similar. If your school does not add weight and you have taken rigorous classes, your recalculated GPA likely will be higher than your high school GPA.

**Scholarships are renewable for up to four years, provided students meet renewability requirements.
