Gerontology Made Personal

*10:00 a.m. – 10:50 a.m. ET
Heritage Room*

An esteemed panel of researchers and faculty will discuss how their work as gerontologists has shaped their thinking about and experience of their own aging.

If Age is Just a Number, Then Why Doesn't Mine Add Up?

*11:00 a.m. – 11:50 a.m. ET
Heritage Room*

Age is more than just the number of years you've lived. It's also the way you are valued and judged by others. In this workshop, we debunk many myths about aging, explore how ageism operates on personal and societal levels, and provide helpful strategies for addressing ageism wherever it appears.

Lunchtime Presentation: The Journey So Far and The Path Forward
