

Computer and Information Technology focuses on the development and support of computing and networked systems. Computing knowledge and skills are vital for professional success in any field and there will always be a need for technically skilled professionals. The Computer and Information Technology Associate Degree program requires students to select a concentration area. Students have many opportunities for this focused area of study.

RECOMMENDED TWO-YEAR PLAN

First Year

<i>First Semester • 15 Credit Hours</i>	<i>Second Semester • 15-16 Credit Hours</i>
ENG 111 English Composition (3) or ENG 109 English Composition for Second-Language (3)	CIT 205 Agile Launchpad I (3)
