This is your home **AWAY FROM HOME**

**A PLACE WHERE YOU CAN
BUILD YOUR FUTURE CAREER**

As a mid-sized, internationally and nationally recognized institution, Miami University offers a classic U.S. university experience. The welcoming community of Oxford, Ohio, is home to our picturesque campus, where students from 84 countries and 49 U.S. states enjoy modern academic, living, and recreational facilities. And with the support and mentorship of dedicated faculty and staff, Miami students don't just succeed — they thrive.

Learn about the Miami experience

ALUMNI PROFILE

Meenal Khurana '26

Majors: International Studies and Social Justice Studies
Home Country: India

A nonprofit legal internship in Dayton, Ohio, inspired Meenal's career path: pursuing law school with the ultimate goal of practicing global human rights and immigration law. A natural leader, she brought her passion for helping others into several organizations on campus. Most notably, her time as a Student Engagement and Leadership Ambassador saw her serve as a peer mentor, facilitating campus engagement and student leadership.

ALUMNI PROFILE

Lucia Amat Ayala '26

Major: Engineering Management
Home Country: Spain

Studying Engineering Management at Miami allowed Lucia to build a strong technical foundation in manufacturing and develop keen business acumen. Balancing the classroom with real-world experiences became a priority for her, which led to study abroad in Prague and an operations management internship at Amazon. Her well-rounded involvement on campus aligned with her major (the Society of Hispanic Professional Engineers) and her personal interests (Miami University Fashion and Design).

ALUMNI PROFILE

Linh Giang '23

Major: Psychology
Home Country: Vietnam

Linh was a distinguished member of the inaugural cohort of the Presidential Fellows Program. Now, she dedicates her time to tutoring children in economically disadvantaged villages, advocating for education as a means for children to rise above the cycle of agriculture. Additionally, Linh co-founded the Gender Equity and Female Empowerment group, where she promotes awareness of gender equality and works to combat domestic and sexual abuse.

EXPERIENCE A REAL RETURN ON YOUR INVESTMENT

Employers praise Miami University alumni for how well prepared they are to make immediate contributions within their organizations — which makes our campus a frequent stop for recruiters. Our worldwide alumni network also provides strong connections for internships and jobs. Miami graduates enjoy competitive salaries and are in demand among employers including:

- Amazon
- Apple
- Cardinal Health
- Deloitte
- Eli Lilly and Company
- Lockheed Martin
- Procter & Gamble
- Target
- Teach for America

Scholarships

First-year international students who apply by our **Dec. 1 priority deadline** are automatically considered for most Miami merit scholarships, including:

- University merit and educational scholarships: \$8,000 – \$21,000 per year.
- #YouAreWelcomeHere Scholarship: Up to 50% tuition (separate application required).
- Prodesse Scholarship: \$1,000 – \$2,000 per year (Honors College students).
- Presidential Fellows Program: Full tuition, fees, housing, and meals (Honors College students; firm Dec. 1 deadline).

International transfer students also are considered for transfer scholarships at the time of admission.

STUDENT PROFILE

Ryan Singh '25 (BS), '26 (MS)

Major: Business Analytics
Home Country: India

"I've really loved my experience here at Miami. I've met the most amazing people, and campus always has something going on. There are the most driven and supportive people here at Miami."

STUDENT PROFILE

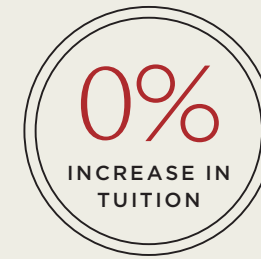

Eddie Thant '27

Major: Mechanical Engineering
Home Country: Myanmar

"When I came to Miami, everyone was so friendly. I like that family vibe because I think that's a huge factor in helping me feel comfortable and at ease — so I can focus on my studies."

MIAMI'S TUITION PROMISE

For first-year undergraduate students, most costs (tuition, housing, food, and most fees) will not increase over the four years of their Miami education.

Undergraduate Annual Cost Estimates*

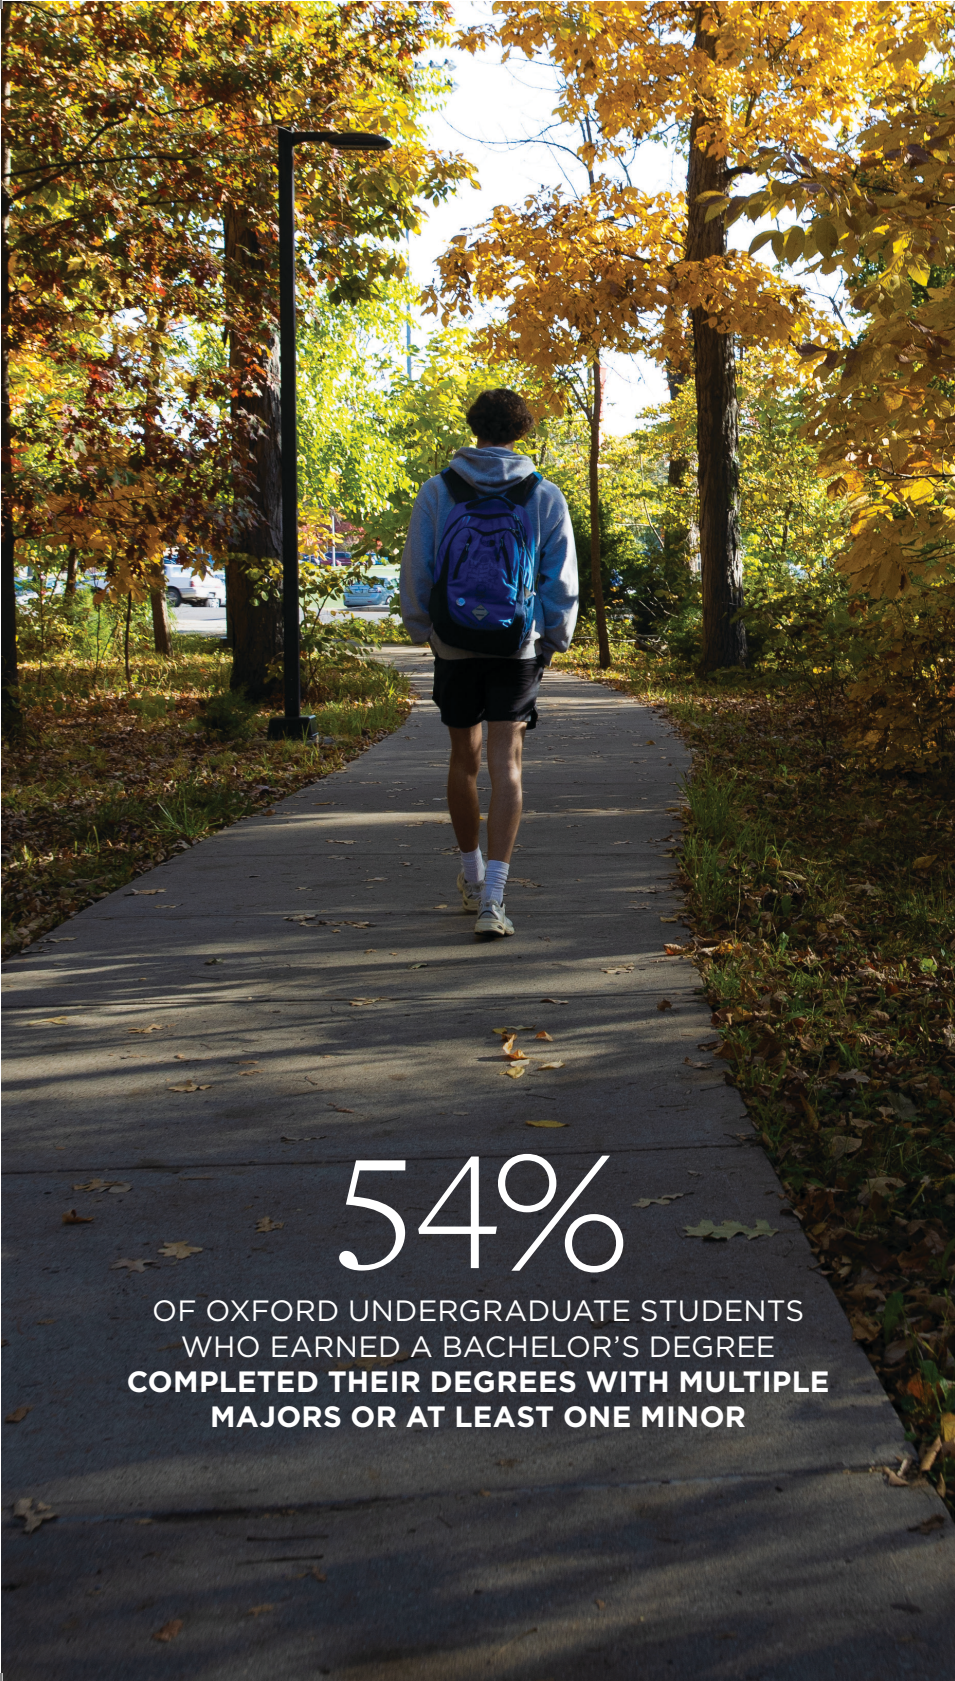

TWO SEMESTERS, OXFORD CAMPUS	
NON-OHIO RESIDENT TUITION AND FEES	\$42,882
HOUSING AND FOOD	\$17,668
HEALTH INSURANCE AND OTHER EXPENSES	\$7,616
TOTAL	\$68,166

Tuition and fee estimates are based on actual costs for students who entered Miami in 2026-2027. They do not include international airfare, expenses for other U.S. travel, special purpose and course fees, or tuition for winter or summer terms. Housing and food totals represent a weighted average of student options. Visit [MiamiOH.edu/onestop/costs](https://miamiOH.edu/onestop/costs) for the most current information.

SPECIAL PURPOSE AND COURSE FEES

- College of Creative Arts: \$54.08 per semester fee for students majoring in Architecture, Interior Design, Music, Music Education, or Music Performance.
- College of Engineering and Computing: \$643.49 per semester fee for students majoring within this college.
- Farmer School of Business: \$142.76 per credit hour fee for most business school courses.
- Department of Emerging Technology in Business and Design (ETBD): \$309 per semester fee for students majoring within ETBD.
- Other courses, such as labs, may include additional fees. Be sure to check the course information when registering.

*All costs are subject to change.

Pre-Professional Preparation

Choose from the majors listed, then work with a faculty advisor to design your course of study.

Miami offers pre-professional preparation in:

Athletic Training	Occupational Therapy
Dentistry	Optometry
Dietetics	Pharmacy
Law	Physical Therapy
Medicine	Veterinary Science

1 Miami offers direct admission to all majors in the Farmer School of Business. Once you're in, you're in!

2 Co-Majors. Enrolled students may select a co-major to complement their primary major.

3 In Exploratory Studies, students explore majors across campus. Academic divisions also offer undeclared options for undecided students interested in opportunities within a specific college or school. All undeclared options allow students to graduate on time.

4 This major is eligible for **STEM OPT extension**.
