

Importing the Regionals Remote Delivery Template from

CANVAS COMMONS

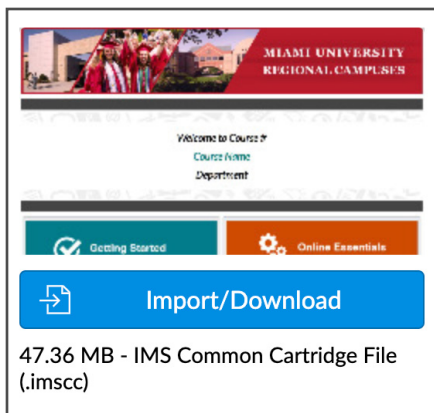

1

Log in to Canvas and select **Commons** from the left-hand navigation menu.

2

Use the search bar to locate the “**Miami Regionals Remote Delivery Template**,” and click on it.

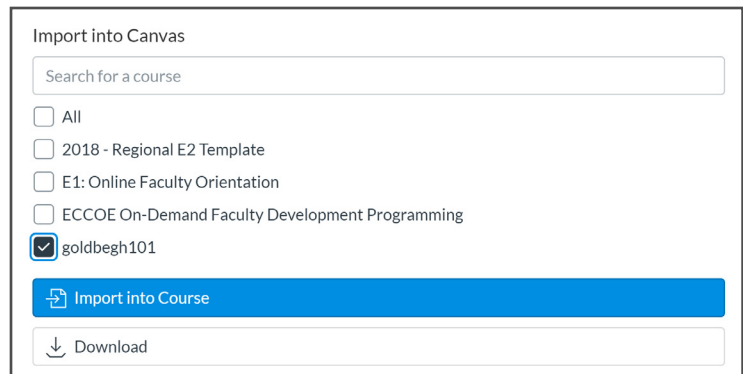

3

Click the **Import/Download** button on the right side of the page.

4

Select the course(s) into which you'd like to import the template, then click **Import into Course**.

5

Navigate back to the course you chose to see your new course template.
