An Uptown Oxford Original since 1975!

Located less than ½ block from campus on High Street, B & D is the world-renowned home and birthplace of steamed bagel sandwiches. One of Oxford's favorite destinations, we've been in business since 1975. If your parents went here, we are probably one of the few places still around from their Miami days. At last count we had over 100 creatively named specialty sandwiches for carnivores and vegetarians alike. We open at 8:00 in the morning most days and stay open until after the bars close most nights. If you are too lazy to come uptown, WE DELIVER when school is in session.

Bagel and Deli Shop Menu Sampler

Don't See Anything You Like? Stop in and check out our full menu with 80 more sandwiches or make up your own!

All sandwiches available on a bagel or s sub.

Miami Bagel - Cream cheese & cinnamon on blueberry. Not in the mood for a sandwich? This is the perfect snack. Also great for the little kids.

After Burner - Meatballs, provolone, banana peppers, pizza sauce on onion. Back in the day this also came with a complimentary cigarette but the former employee who invented it is now a doctor and wouldn't want you to smoke. Just goes to show we all have our youthful indiscretions!

Pizza Bagel - Pepperoni, provolone & pizza sauce on plain. This one shouldn't need any explaining. Delicious and simple. Also available in a veggie variety.

Tonya Harding Club - Turkey, ham, bacon, ½ colby & ½ Swiss on plain. It's a hit! A nice big meaty sandwich that is a favorite among the guys late at night. Created after the whole Nancy Kerrigan and Tonya Harding Olympic figure skating debacle. (For those of you who are too young to remember, Tonya Harding's boyfriend "clubbed" her rival Nancy in the knee to keep her out of the 1994 Olympics)

Ben's Best - Turkey, bacon, provolone cheese, lettuce, tomato & mayo on bialy. One of our oldest, the bagel was probably around when the QB was born but everyone assumes it belongs to him.

Messy Katie - Turkey, colby, cream cheese, avocado, lettuce, tomato, sprouts & honey mustard on bialy. Yeah bagels! Created by an oft intoxicated former employee who liked it messy.

The Original Breakfast Bagel - Scrambled egg, bacon and American cheese on an egg bagel. Our most popular breakfast sandwich. Available anytime o' the day or night.

Greg-O Bagel - Cream cheese, smoked cheddar, avocado, lettuce, tomato, sprouts & mustard on bialy. Created by a former Alexander House cook, this is one of our tastiest veggie bagels.

Mr. Turkey - Turkey, provolone, lettuce, tomato & mayo on plain. Probably our most popular bagel for first timers, it is kind of like the vanilla ice cream of bagels. Always a safe choice when you can't make up your mind.

Donkey Punch - Chicken salad, smoked cheddar cheese, onions & BBQ sauce on combo. It'll knock you out! An unusual but extremely tasty combination created by Greg Gibbs, the owner of our sister store in Chicago.

Wam-O - Turkey, smoked cheddar, veggie cream cheese, lettuce & tomato on bialy. This is a great bagel for those first years ready to move beyond the basics like the Mr. Turkey. A gateway bagel that might make you want to try *all* our additional sandwich concoctions.

Crunch & Munch - Turkey, smoked cheddar, lettuce, honey mustard, parmesan peppercorn ranch and Doritos on everything. Our top post bar late night bagel. Bonus feature: You get the rest of the bag of Doritos to munch on!

BGL 101: An Intro to Bagel and Deli Shop

- The most popular bagel is the Crunch n Munch.
- "Bialy" is pronounced "Bee-AH-lee" and is a roll that is baked (not boiled first) with poppy seeds and onions on it.
- "Most Popular" does not always equal "Best".
- If you try to buy beer or cigarettes we will card.
- Sorry, we don't have a public restroom. Stop in at 2:30 am on a Friday night and you'll see why.
- There is no line – we have bar style service.
- We don't toast, we steam. You'll like it.
- We don't hire freshman until second semester.
- Yes, we know what's on every sandwich.
- Always tip your bagel maker!
- Be sure to follow us on Twitter/Instagram/Facebook.
